Paragraph 64

The paragraph *should read*

64. Although it represents a breakthrough measure, in order to make this temporary measure more effective in attaining equal access for women in decision-making, an amendment to this legislation was proposed in Bill No. 4524-98, in which the intention is to amend Article 116 of Act No. 26859 and paragraph 2 of the second part of Article 10 of Act No. 26864 on the listing of candidates such that the position of men and women will alternate starting with whatever candidate heads the list.
